NOTES

About Cindrigo Holdings Limited

Cindrigo Holdings Limited is an active clean baseload energy developer focussed on developing sustainable energy solutions across Europe. This includes a 110 MW ready built Biomass combined heat and power plant in Kaipola, Finland, planned for operational start in Q4 2024.

The Company is also finalising the acquisition of a majority interest in three geothermal energy projects in the Upper Rhine Valley of Germany, which have an initial target of c.80 MW, and a combined target installed potential capacity exceeding 300 MW, encompassing both geothermal power and heat generation.
